

WHS Class of '85

Reunion Cruise

Class of 1985,

It's time to turn the page on the ordinary and set sail on an extraordinary journey together. Four decades after we walked the halls as classmates, we're coming back not just to reconnect, but to create new memories on the open sea.

In October 2026, we have the chance to cruise the Western Caribbean from Galveston for four days of sun, sea, and celebration. Two days at sea will give us time to relax, explore, and enjoy all the amenities the ship has to offer, while a full day in Cozumel promises vibrant culture, stunning beaches, and adventures that are just waiting to be shared.

Whether you're ready to unwind by the pool, try your luck at the casino, explore historic sites, or simply catch up with old friends over dinner, this cruise offers something for everyone. It's more than a trip, it's a reunion in motion. It's a chance to relive the camaraderie that shaped us, and to toast to the journeys still ahead.

Inside this packet, you'll find all the details on cabin options, pricing, and the booking process. We've worked to secure group rates that make this an accessible, unforgettable experience.

So mark your calendar, pack your bags, and get ready for an adventure that will bring the Class of 1985 together like never before.

Let's make some waves!

Group Benefits & Incentives

Group rates often include perks such as onboard credits and/or special amenities. In order to receive these benefits/incentives, your booking must be included in the group booking.

Travel Insurance

I would strongly encourage you to consider travel protection insurance, given the length of time between booking and departure. Royal Caribbean's coverage provides cancellation and trip interruption coverage, as well as medical coverage benefits should you need medical care while onboard or in port. Many U.S.-based insurance providers do not allow for coverage outside of the U.S. Any onboard medical care provided will require payment in full before disembarkation. For more information about Royal Caribbean's Protection Plan, visit <https://www.archinsurancesolutions.com/coverage/Royal/>. The coverage can be purchased when booking your stateroom. You can also shop for trip insurance from independent providers.

If there are any questions or concerns, please notify Michael Hasten or contact Group Sales at Royal Caribbean.
